

The Year Of Yes! [There Is One Rule – No Rules!]

I was cruising around [Facebook](#) just now and saw what I consider to be the *BEST* one page of advice ...

... EVER WRITTEN!!

It's a page from [Shonda Rhimes](#) latest book:

(The Year Of Yes: How To Dance It Out, Stand In The Sun and Be Your Own Person!)

What a great title, right? ☐

Please be sure to carefully read page 286 from that book ... and cheerfully leave your comments below!
